This is in response to your phone call earlier today regarding the missing request for a 1-month extension of time for the above case. After speaking with you, I pulled the file and discovered that we did submit a request for an extension of time with our facsimile transmission on 5/24/94. As verification, attached for your review is a copy of our cover sheet indicating that 19 pages were to be transmitted (1 cover sheet, 2-page transmittal letter, 3-page Pet. for Ext. of Time, and 13-page amendment), and a copy of the Fax Journal indicating that 19 pages were transmitted. Apparently, the Petition got separated from the rest of our facsimile. I am resubmitting herewith the Petition and Fee For Extension of Time. If you require anything further, please let me know.

Thanks!
